

## How the Lottery Works

As a new member to the lottery you will be given a unique draw number. Each number costs just £1. The draw takes place every Friday and all the prize winners are chosen at random by computer. All winners are notified direct - you do not need to claim. If you would like to join simply complete the application form overleaf. If you would like more information about the St Mary's Hospice lottery you can call our Fundraising Office on 01229 580305.

# Caring for your Local Community

At St Mary's Hospice we care for patients in South Cumbria facing the end of life and for those who love them. Since 1989 St Mary's has provided comprehensive supportive and palliative care to adults in our community facing a life limiting illness, and a range of family and support services for carers and the bereaved. Patients and their carers can access our holistic programmes at any stage of their illness and the services are completely free of charge.

Our annual running cost totals over £2 million a year. Of this sum the NHS makes a contribution but we rely heavily on the generous people of South Cumbria to fund approximately £1.7 million each year. It costs nearly £4000 a week to keep the Hospice running - your participation in the lottery will help to meet those costs. Without such fundraising initiatives we could not survive, let alone plan for the future.

It costs just £1 per week to play our lottery and all profits will help to care for people facing life limiting illnesses in your community. Please support the Hospice lottery and enable St Mary's to continue making a difference.
