

## ST MARY'S HOSPICE TERMS AND CONDITIONS

PARTICIPANTS ARE RESPONSIBLE FOR ENSURING THEY ARE MEDICALLY FIT TO SKYDIVE BEFORE SIGNING UP TO THE EVENT AND MUST COMPLETE A MEDICAL DECLARATION FORM WHICH NEEDS TO BE COMPLETED ON REGISTRATION.

If you have any concerns regarding your suitability to jump, please contact our Events Manager on [Melissa.dixon@stmaryshospice.org.uk](mailto:Melissa.dixon@stmaryshospice.org.uk) 01229 580305 before registering.

1. All deposits are non-refundable and must be received at the time of booking.
2. By ticking the boxes and signing the booking form you agree to raise a minimum of £450\* sponsorship money. £225 of the £425 minimum must be into St Mary's Hospice before 7<sup>th</sup> May 2025. The remainder to be in no later than 5<sup>th</sup> Sep 2025.
3. The minimum age for any parachute activity is 16 years. There is no maximum age for tandem skydiving, however anyone over 70 will require form 115B signed by a GP and will need to have an assessment carried out by the Chief Skydive Instructor. We recommend this is carried out before you book, please contact the sky dive office on 015395 58672 for further advice and to schedule an assessment. The maximum weight is 15 stone (95kg).
4. It is essential that all tandem skydivers fill in a medical statement ([Medical Form 115A](#)) in advance of the jump date. Those between the ages of 16-18 will require a parent or guardian present to sign a permission form. Failure to fulfil these conditions will result in the place on the jump being forfeited.
5. All skydivers should be in good health and possess a reasonable basic level of fitness. Certain conditions preclude participants from taking part. [Medical Form 115A](#) needs to be completed prior to and presented on the event date and if the skydiver has any medical conditions outlined on the form, they will also be required to fill in [Medical Form 115B](#) with a GP who needs to authorise the jump with their signature. Skydive North West's instructors will make all final decisions on if a health condition might make it dangerous for an individual to take part in a dive and refuse their admission. In this instance, money paid will be forfeited and St Mary's Hospice will not be responsible for any costs, however we will make every reasonable effort to reschedule the jump with prior notice and proof of medical exemption from a GP.
6. In the case of bad weather Skydive North West reserve the right to change the date of the sky dive. All deposits and payments made will be transferred to an alternative date.
7. In the case of a cancellation by Skydive North West St Mary's Hospice will inform you as soon as possible but we have no liability to make any refunds or to pay any compensation.
8. While on the premises of the airfield all participants are representatives of St Mary's Hospice. As such we expect all participants to have consideration for other people. If, in our reasonable opinion, or in the reasonable opinion of any supplier or any other person in authority, you or any member of your party behaves in such a way that is detrimental to the

reputation of St Mary's, or in such a way as to cause, or be likely to cause upset, distress or danger to any third party or damage to any property we and/or the relevant supplier are entitled, without prior notice, to terminate the jump of the person(s) concerned. In this situation, the person(s) concerned will be required to leave the airfield. Neither we nor any supplier will have any further responsibility toward such person(s), no refunds will be made and neither we nor any suppliers will pay any expenses or costs incurred as a result of the termination.

9. Participants are required to make their own way to Flookburgh Airfield. Skydive North West may refuse to accept any late arrivals. In this case all monies paid will be forfeited and St Mary's Hospice will take no responsibility for others costs incurred by the participants (such as travel costs). Participants who fail to turn up on the day without prior notice will also forfeit money paid and will not be offered the right to reschedule.

10. By entering the event you give permission for the free use of any pictures or video footage taken of you on the day for promotional advertising or other uses as deemed appropriate by St Mary's Hospice.

11. When you book, you accept responsibility for any damage or loss caused by you at Skydive North West. Full payment for any such damage or loss must be paid direct at the time to the supplier. If you fail to do so, you will be responsible for meeting any claims subsequently made against St Mary's (together with our own and the other party's full legal costs) as a result of your actions.

12. In addition to St Mary's Hospice Terms and Conditions, in signing this form you also agree to adhere to the conditions set down by the Skydive North West.

13. Skydive North West reserve the right to make reasonable changes to the programme of any activity so long as these do not affect to any material extent the nature and scope of such activity.

14. The timing of any activity is given as a guide only and you will be required to wait for your turn along with other members of the public and club members. Skydive North West reserves the right to reschedule the timings or location of any activity, possibly at short notice, owing to unavailability of the activity, booking numbers, or any factor beyond the control of Skydive North West. Skydive North West reserves the right to discontinue an activity at its own discretion and should a suitable alternative be unavailable, you shall be entitled to a refund at the full purchase price.

15. St Mary's Hospice is collecting your personal information as part of your application to participate in our Skydive. Where necessary we will pass this information onto our event partners who will use it for the organisation and delivery of the event. We won't pass your details to third parties for marketing purposes.
